

A top-down view of a gourmet charcuterie board. The board is a large, round wooden platter. On it are several long, thin breadsticks, some topped with a slice of cured meat. There are clusters of green and red grapes, a small bowl of dark jam, a small bowl of white cheese with herbs, and a small bowl of orange crackers. A small glass of white wine is also visible. The background is dark and textured.

The image displays a web application mockup for 'AzzaFood Restaurant'. The layout includes a top navigation bar with 'Menu' and 'About' links. The main content area features a 'Breakfast' section with a featured item, 'Original Muffuletta Sandwich', priced at 'Rp.200'. A 'Priview' modal is open, showing a list of items for 'Daftar Pesanan' (Order List) and a total of 'Rp 200'. It also includes fields for 'Nomor Meja' (Table Number) and 'Catatan' (Notes), and a section for 'Pembayaran via' (Payment via) with a virtual account number and a 'Silahkan Melakukan Pembayaran' (Please make payment) instruction. An 'Order' button is present in the modal. To the right, an 'Order' form contains a 'Menu Pesanan' (Order Menu) section with a list of items and a total of 'Rp.200'. It also has fields for 'Nomor Meja' and 'Catatan Pesanan' (Order Notes), a 'Metode Pembayaran' (Payment Method) section with radio buttons for 'Cash' and 'Virtual Account', and an 'Order Now' button. The footer contains 'Locations', 'Opens' (opening hours), and 'Socials & Contact' information, including social media icons and a copyright notice for 2023.
